

Campus Diversity Committee

Mission and Purpose

Originally formed in 2001 as the Fullerton College Equity and Diversity Committee, the name was changed to the Fullerton College Diversity Committee in 2009. The mission of the Diversity Committee is to plan and develop activities with the purpose of promoting harmony, equality and unity through a greater understanding of diversity. The committee promotes and protects the interests and concerns of minority and underrepresented persons, which includes persons designated as a protected class by the California Education Code. The committee actively promotes and advocates for a positive, supportive and safe campus climate and advocates for and plans activities that promote student equity. To support its mission and purpose, the committee creates and recommends campus activities that educate, engage and challenge students, faculty, staff and administrators to celebrate and acknowledge the importance of diversity within the campus and society. The committee actively seeks assistance and resources from within and outside the campus community. The Campus Diversity Committee provides advice and recommendations to the College President on related issues.
